Script | Responsive Web Applications | Clean Code

com <https://www.linkedin.com/in/basem-mahmoud-831162399/>

Building responsive web applications focused on creating clean, reusable components and continuously improving skills in React and JavaScript through personal projects and optimization through personal experience.

SKILLS

React

JavaScript

HTML

CSS

Tailwind

Redux

GitHub

Responsive Web

ES6+

EDUCATION

Bachelor of Science

Tanta University – Faculty of Computers and Information

01/2025 – 05/2029 Egypt

COURSES & SELF-LEARNING

Online

React.js – Self Learning (YouTube / Online Tutorials)

Online

Front-End Development – YouTube + Practical Projects

KEY ACHIEVEMENTS

Improved Performance

Optimized website performance through clean code practices and efficient React structure, improving load speed and user experience.

Reusable Component System

Developed 10+ reusable React components, improving development efficiency and code maintainability.

Portfolio Development

Built and deployed a personal portfolio website showcasing projects and skills in a structured and professional way.

Code Quality & Best Practices

Focused on writing clean, maintainable code following modern React best practices and component-based architecture.

Portfolio

<https://my-portfolio-pmjurbkak-basem6s-projects.vercel.app/>

Developed a personal portfolio to showcase projects

Implemented GSAP animations for smooth UX

Built fully responsive layout across devices

Stack: React, GSAP, Tailwind CSS

Admin Dashboard

<https://advance-dashboard-Elkod-basem6s-projects.vercel.app/>

GitHub: <https://github.com/Basem6>

Built a responsive admin dashboard with a modern UI using React
